Pursuant to Section 128(5) AktG, every proposal must also be submitted in German.

Information on right to information and right to propose a motion pursuant to Sections 118f AktG

Pursuant to Section 118 AktG, shareholders shall be provided with information on matters of the Company upon request during the Annual General Meeting to the extent that the information is necessary to allow proper assessment of an agenda item. The information may be refused if such information – based on a reasonable economic assessment – could cause material damage to the Company or one of its affiliated companies or if provision of such information would be a criminal offence.

Pursuant to Section 119 AktG, each shareholder has the right to propose motions on each agenda item in the Annual General Meeting, which shall require no previous announcement. This right is contingent on proof of the right to participation as specified in the notice to convene.

Each shareholder has the right – regardless of a certain shareholding – to propose motions on each agenda item in the Annual General Meeting. Pursuant to Section 110 AktG, however, a statement of reasons must be submitted in a timely manner for shareholder requests to nominate a candidate for election to the Supervisory Board. Persons can only be nominated for election to the Supervisory Board (agenda item 6) by shareholders whose aggregate shareholding equals 1% of the share capital. Such nominations must be received by the Company in the manner described above no later than **12 April 2018**. Pursuant to Section 87(2) AktG, each nomination shall be accompanied by the candidate's declaration of his or her professional qualifications, professional or comparable roles as well as all circumstances which could give rise for concerns regarding partiality. Such nominations including the candidate's declaration pursuant to Section 87(2) AktG of each nominated candidate must be accessible on the company's website on **16 April 2018**, otherwise the person concerned shall not be included in the elections.¹

¹ Supplemented and updated on 3 April 2018 with regard to the additional agenda item 6 "Election to the Supervisory Board" in the sense of the shareholder request pursuant to Section 109 AktG.

Information required pursuant to Section 110(2)(2) AktG

The Supervisory Board of VERBUND AG currently has ten members elected by the General Meeting (shareholder representatives) and five appointed by the Works Council pursuant to Section 110 ArbVG. On the date of the convening of this Annual General Meeting, of the ten shareholder representatives, three are women and, of five employee representatives, one is a woman.

There is no objection pursuant to Section 86(9) AktG against total fulfilment of the quota by the shareholder representatives or the employee representatives. Pursuant to Section 110 ArbVG, the Works Council will appoint one more woman to the Supervisory Board before the Annual General Meeting is held on 23 April 2018, so that on the date of the elections to the Supervisory Board, i.e. on 23 April 2018, two of the five employee representatives are women.

In the event that shareholders add the reimbursement of a nomination pursuant to Section 110 AktG to this agenda item, it should be taken into account that, in the event that an election is held, of the 15 members of the Supervisory Board at least five women hold seats on the Supervisory Board.

Option to appoint a proxy pursuant to Sections 113f AktG

Each shareholder entitled to participate in the Annual General Meeting has the right to appoint a natural person or legal entity to participate as a proxy. The proxy participates in the Annual General Meeting in the name of the shareholder and has the same rights as the shareholder whom he/she represents.

The Company itself or members of the Executive Board or the Supervisory Board may not be appointed proxy of a shareholder.
