Guided dam wall tours for groups

Want to take a peek inside Austria´s highest dam wall?

VERBUND offers the opportunity to explore the depths of local energy production from hydropower. Explore the inside of the Kölnbrein dam with a guided tour. As well as the history and special characteristics of the construction, the background and context of power generation will also be explained. Additional information about the erection of the dam wall is available at the Malta Energy World exhibition.

Important Information & Notes

Restriction for coaches: The vehicle may not exceed a length of 14m and a height of 3.85 m height (with escort vehicle up to 4.1 m) An escort vehicle can be requested free of charge at the toll station

Validity of group offers:

A group is considered as a minimum of 15 paying persons. From this number the guide and bus driver receive all benefits of the respective package booked for **free!** The group offer is exclusively valid for bus tour groups. Individual travel with private cars does not count as a tour group.

Group package payment:

In cash or with debit or credit card (Visa & Mastercard) at the toll booth. Payment for drinks is made directly at the restaurant.

Guided Dam Tour payment:

While with most groups not everybody wishes to take part in the tour, payment for this is to be settled separately at the cash desk in the shop, in cash or with debit or credit card (Visa & Mastercard).

Payment with Voucher:

Travel agents based in Austria have upon request, the possibility to book with confirmation of agreement to cover payment. (Group package, toll charges, guided dam tour).

Ordering:

To ensure the day runs smoothly, please inform us by 9.00am on the excursion day of the exact number of persons and menu choices, by telephone at the Berghotel Malta under the telephone number: 050 313 / 39130.

Contact Person:

Our destination is in a very exposed location. In high alpine areas according to the weather, it is sometimes necessary to inform the tour group about road conditions. To avoid unpleasanties, we implicitly request that you provide us with details of the local contact person (bus driver, tour guide): **Name, Telephone number.**

Conditions of cancellation:

Cancellations up to 18:00pm the day before arrival are free.

Cancellations on the reserved day or no-shows will be billed for the full menu price for the number of persons reserved.

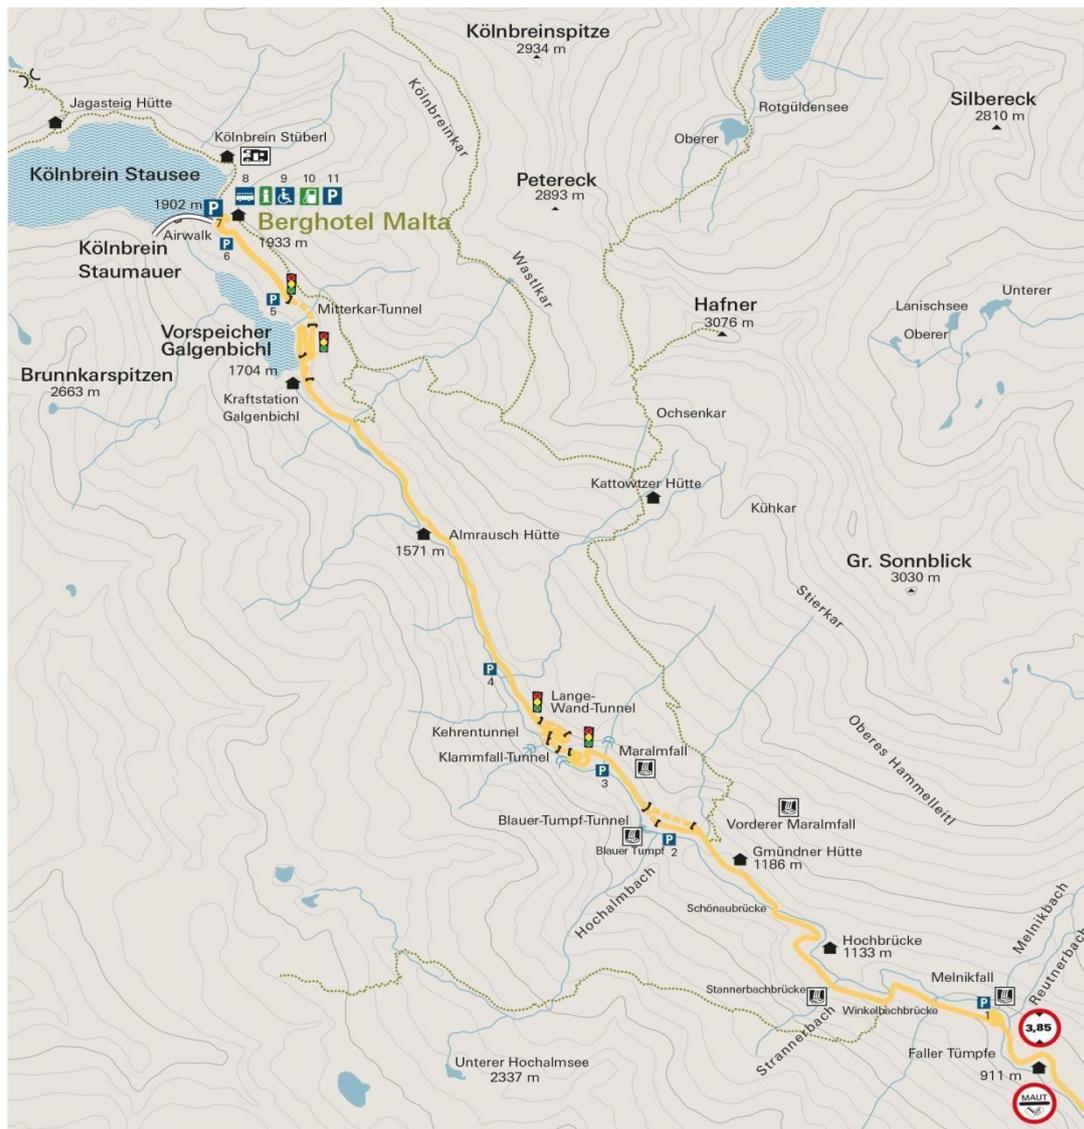

For cancelled a `la carte reservations a flat rate of € 10,00 per person will be charged. The reserved tables will be held free for you for half an hour. Please inform us if you are delayed, under the telephone number: 050 313 /39130

Full of curves and breathtakingly beautiful

The Malta High alpine road leads you through the valley of tumbling waters, through natural stone tunnels hewn out of rock and sharp hairpin bends high up to Austria's highest dam, the Kölnbreinsperre, one of the most popular destinations in Carinthia. The journey itself is a unique experience for your guests. Two traffic lights ensure your safety at the narrowest parts of the Malta Hochalmstraße.

Tip: The first traffic light is directly at the Maralmbach Falls. The waiting time is a maximum of 22 minutes. Meanwhile your guests have the opportunity to visit the Maralmbach waterfall. There is a waiting time information desk right next to the fall. information. So you will not miss a green phase. At the second traffic light, the waiting time is much shorter. shorter. From here you can enjoy the beautiful view of the Kölnbrein dam with the Galgenbichl reservoir. Galgenbichl reservoir. A popular photo motif!
